

Design the Memorial Garden

A DOLTON PARISH COUNCIL COMMUNITY PROJECT

The Parish Council are currently seeking ideas for a low-maintenance, attractive landscape design for the Memorial Garden in the centre of the Village

The garden will be refurbished in the Spring of 2010 and the chosen designer(s) will be invited to oversee their design work and place a small commemorative plaque in the garden

Designs must be submitted on one sheet of white A4 card or paper and include some details of the planting scheme including the plant names, types of stone or other materials used. A detailed map of the garden can be supplied by Cllr Clive Burnage on request.
