

SAM GREEN AND THE MIDNIGHT HEIST

A Roots-Rock band from the North Devon coast, this high energy four-piece bring together Delta Blues, Pacific Northwest Grunge, Hillbilly Soul and Californian Rock to create their own blend of progressive modern Roots Music.

Returning in 2017 in preparation for the release of their first full length album in early 2018, Sam and the band are excited to be back out on the road after their success at this year's Glastonbury Festival.
